Delay not Denial

Joe Cliq
Wagwan

All I all I all I wanna say is
All I all I all I wanna say is
All I wanna say is they don't really care about us
(Us us us us)

Who go put me on
Who go let me on
Told my friends I'm a superstar
Oh yes a bigger star
(Star boy)
Dem told me ano fit get this far
With no capital
Make I go try something better
Than music
They told me I can't sing it
(Sing it)
I've got a beautiful voice
(Voice it)
But I can't make it to this far
I can't make it to this far
Them say my style bi archaic
(Archaic)
I cannot match it
(Match it)
All these voices I hear on a radio
Baba help me o
Cos I know ebi timing oh
